### AN HONEST ENDORSEMENT

St. Louis, Oct. 20th:  
"Wouldn't we be in a Hell of a  
fix, if we had not got the Re-  
publicans out and put Wilson at  
the head," wrote Chauncey I.  
Filley, former Mayor, former  
postmaster of St. Louis and  
former boss of the Republican  
party in Missouri.

It was on the old man's 85th  
birthday and he pounded it out  
on the typewriter for your cor-  
respondent himself, having a fear  
he wouldn't be correctly quoted.  
Then he continued: "Wilson is a  
man who is trying to keep his  
pledges to the people and you  
watch and you'll see that the  
people appreciate that kind of  
man and will repay no matter  
what the politicians say."

This from one of the straightest  
and bitterest Republicans of the  
Old School is strong praise for  
President Wilson and his policies  
and fell as a bomb-shell in the  
Republican camp for all the  
older Republicans know the old  
Boss for fearless honesty in the  
belief in what he says.

### REPUBLICAN SPEAKING

The Republican County Com-  
mittee have secured Hon.  
Hibbard C. Whitehill, of Chicago,  
to deliver an address on the  
political issues of the day at the  
opera house Saturday night, Oc-  
tober 24.

Mr. Whitehill has a national  
reputation as a speaker and will  
interest his audience.

The ladies especially are in-  
vited.

### CASSVILLE ITEMS

Ernest W. Wallace who has  
been residing at Monett has  
moved to the Oak Ridge locality.

Robert Black of Monett was a  
Cassville visitor Tuesday.

M. E. Gilloz of Monett is pre-  
paring to build the sidewalk,  
gutter and curb about the court-  
house for which he contracted  
with the county court to do.

Polk Bayless informs us that  
he and A. D. Taylor of Exeter  
placed 10,000 rainbow trout in  
Roaring river spring last week.  
The fish were taken from the  
Neosho hatchery. We are also in-  
formed that Mark Hatcher of  
near Exeter recently placed 1000  
cat fish in the stream in Thomas  
Hollow. Mr. Hatcher raised the  
fish in a pond on his farm south  
of Exeter. If the interest in fish  
culture of these men was fol-  
lowed by others, Barry streams  
would soon be plentiful with  
fish.—Republican.
